

FLORIDA ASSOCIATION OF SCHOOL RESOURCE OFFICERS

SRO PRACTITIONER

The Florida Association of School Resource Officers practitioner program was established for agencies and school districts to recognize officers who have excelled in the area of the school resource officer philosophy. This program will distinguish those officers who are committed to establishing themselves as professionals at their agency, in their community and school.

To obtain the designation of SRO practitioner, please refer to the guidelines as set forth on the attached ***application***. All SRO's who achieve the designation of School Resource Officer Practitioner will receive a practitioner uniform pin and certificate that will be presented at the annual conference. Anyone requesting information regarding being certified as a FASRO practitioner, please contact:
